DETAILS

Khoroum Valley, Sharm El Sheikh — where world-class music, art, and culture meet the untamed beauty of the Sinai. Set in the heart of this hidden gem, Wady Khoroum is a breathtaking valley defined by dramatic rock formations, lush pockets of greenery, and the ever-changing colors of the desert landscape.

By day, its winding trails and serene atmosphere invite exploration and wonder; by night, it transforms into an electrifying open-air stage under a canopy of stars. Here, every beat reverberates off ancient cliffs, every light dances across the sand, and every moment becomes part of a story you'll never forget.

This isn't just an event — it's a journey into nature, sound, and pure connection.
